FIRE ANT FREE

Extinguish® Plus Fire Ant Bait is an economical, long-lasting solution to fire ant infestations — infestations that can ruin your customers' businesses. Approved for use on rangeland and pasture* as well as golf courses, lawns and commercial grounds, Extinguish® Plus fire ant bait goes after fire ants with the one-two punch of an insecticide and an insect growth regulator (IGR) to help ensure they don't come back.

Extinguish[®] Plus

Fire Ant Fact Sheet

Controls:

Imported fire ants (protein feeding), Southern (California) fire ants, harvester ants, big-headed ants, and Argentine ants.

Mode of Action:

The adulticide, Hydramethylnon, in Extinguish[®] Plus baits starts killing worker ants immediately after ingestion. Noticeable reduction in the number of active workers is seen within a week.

Long-Lasting:

The insect growth regulator (IGR), (S)-methoprene, sterilizes the queen to prevent rebound and mound movement. Colony reduction begins immediately and colony elimination may be seen within 2 weeks.

Area of Application:

Extinguish[®] Plus baits are approved for pastures, rangeland*, lawns, landscaped areas, golf courses, and other non-cropland locations where pests are a problem such as: airports, roadsides, cemeteries, commercial grounds, parks, kennels, school grounds, picnic grounds, athletic fields, campgrounds, and other recreational areas, as well as on grounds surrounding poultry houses (excluding runs and ranges), corrals, and other animal holding areas.

Use Rate:

1.5 pounds per acre in a broadcast application.

Methods of Application:

All types - motorized spreaders, aerial, backpack, bait station, or hand.

Application Timing:

Apply as needed, when ants are active and foraging, and soil temperatures are above 60°F. Do not apply product within 6 hours of a rain event. Apply product when area is dry from dew or irrigation.

REI:

12 hours for worker protection standards only.

Active Ingredient:

IGR (S)-methoprene 0.25%, and adulticide Hydramethylnon 0.365%.

Environmental Profile:

Extinguish[®] Plus baits can be used with confidence around people, livestock, and pets.
